Dominik McDonald

Dallas,Texas | 318.344.3245 | ddmwebdesigns@gmail.com

Objective

Dedicated self-taught front-end developer with four years of freelance experience, eager to transition into a full-time front-end developer role. Committed to delivering high-quality code, leveraging problem-solving skills, and contributing to a dynamic team environment. Seeking an opportunity to apply my expertise in front-end frameworks and languages while continuing to learn and grow as a developer.

Experience

Freelance/Contractor Web Developer   **2019-Currant**

Summary of Recent Projects:

Altered NWLA – Non-Profit Website & App

- Developed a website and application for Altered NWLA, a non-profit organization.
